Peterborough ON K9J 7B8**

Dear Dr. Rita & Andy,

On behalf of the Peterborough Women's Events Committee, I would like to thank you for providing such an excellent space.

Our vigil for the fourteen women who were victims in the 1989 Montreal Massacre was moving, memorable and well-attended.

Our committee is most appreciative of your generosity in providing a perfect place - for gathering, sharing, remembering and for educating. Thanks again.

Kathryn Langley
