Dear Dr. Rita Kilislian and Andy:

On behalf of the Kawartha Sexual Assault Centre, I am writing to express our sincere appreciation for providing us with the opportunity to use your Conference Room to hold our fall Crisis Intervention Training. Your generosity gave us the opportunity to provide training to 43 volunteers who will be providing support to survivors of sexual assault on the 24-Hour Crisis Line. The environment was very comfortable, and provided us with all the latest technological requirements. We also want to thank you and your staff for being so accommodating and making us feel welcomed.

Sincerely,

Brenda Scott
Executive Director
